
TALKING TO AN ED SPECIALIST

Talking to a doctor who specialises in ED treatment will help you find your best ED cure.

CASUAL APPROACH:

- Is it true that my health may affect my sexual performance?
- I've had ED for years. Is there anything I can do about it?
- I'd like to ask you about treatments to improve my sex life.
- I am having problems with my erections. Can this be treated?

DIRECT APPROACH:

- My sex life isn't all that it could be. What can I do?
- Do any of my medications cause ED?
- Why am I having difficulty getting an erection?
- Are there surgical or non-surgical treatments for erectile dysfunction that I can try?

CAUTION : Indications, contraindications, warnings and instructions for use can be found in the product labelling supplied with each device.

Individual symptoms, situations, circumstances and results may vary. This information is not intended to be used for medical diagnosis or treatment or as a substitute for professional medical advice. Please consult your doctor or qualified healthcare provider regarding your condition and appropriate medical treatment.
